

URBAN STEWARDSHIP

Mt. Baker Station Area : Staying In Place : Winter 2018 | Alex Ianchenko

_goal
to gradually decrease the density of mt. baker development in the interest of earthquake safety by introducing a network of urban agriculture tied to existing youth programs, stimulating the growth of jobs, food literacy, and a sense of stewardship in the neighborhood.

_site 1"=100'

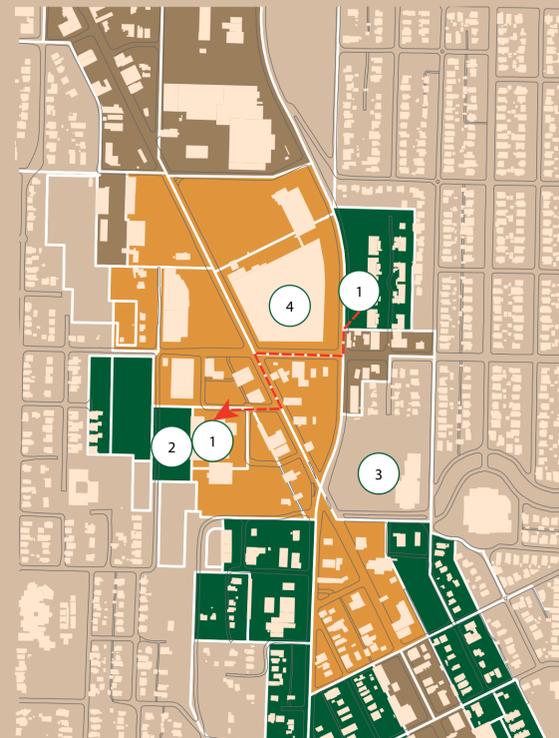

phases:

- 1 p-patch relocation to a light-frame greenhouse convertible to shelter
